THE PERSISTENCE FOUNDATION

CONSERVING AGRICULTURAL LANDS AND HERITAGE

The Persistence Foundation (TPF) is dedicated to the dual mission of conserving agricultural lands and preserving agricultural heritage.

Working farms and agricultural landscapes are disappearing at an alarming rate, while prime farmland is subdivided and sold for development or left fallow. As farms are no longer used for agriculture, or as farmers transition towards modernization, the timber framed buildings of the 18th and 19th centuries are left in disrepair. These barns, houses and outbuildings, which provide a vital link to America's past, are in danger of becoming extinct.

TPF has undertaken several projects in the northeastern section of the Hudson River Valley involving conservation and reclamation of agricultural lands as well as the preservation and restoration of historic structures. Restoring the Historic Barns of Nipmoose has been TPF's most significant initiative.

After years of restoration work, TPF is proud to offer the Historic Barns of Nipmoose as a venue for events. All proceeds from the rental of the barns will be used in support of TPF's mission.

The Persistence Foundation is a nonprofit organization under Section 501(c)3 of the Internal Revenue Code.

EVENTS AT THE HISTORIC BARNs OF NIPMOOSE

**THE HISTORIC BARN OF NIPMOOSE
MAY BE RENTED FOR SOCIAL EVENTS**

The Historic Barns of Nipmoose provide a charming, rustic chic setting for weddings, commitment ceremonies, parties, dinners, dances and receptions. With panoramic vistas, the magnificent barns offer a unique country barn venue of exceptional beauty.

The Scottish Barn, German Barn and Corn Crib, which date from the 18th and 19th centuries, have been fully restored by skilled craftsmen. These barns provide an exceptional opportunity to survey the artistry of America's early agricultural buildings. They also offer an enchanting and timeless atmosphere for social gatherings, with each of the barns lending itself to a variety of different uses. The spacious, unobstructed interiors of the German and Scottish barns are well suited to accommodate a variety of events, whether the gatherings are small, large, casual, formal, festive or educational.

SCHEDULE A VISIT TO THE BARN

Perched on a hillside, the historic barns are surrounded by 123 acres of farm fields, woodlands, the Nipmoose stream and wetlands. Trees and a pond punctuate the gracious and extensive lawn area of approximately five acres that surrounds the barns. A flower garden is positioned on top of the astonishing, hand-crafted stone wall which extends from the base of the German Barn. Parking is available in a field adjacent to the barns, and there is ample space nearby for a tent of any proportion.

The expansive views of an agricultural landscape can be enjoyed from both inside and outside the barns or on walks around the farm. Guests attending events held at the Nipmoose Farm will marvel at the beauty of the barns' wood frames with their massive hand hewn beams and gorgeous patina.
